

SERVICES

- A. The library staff shall search for information beyond its own resources.

- B. Correspondingly, the library shall lend to other libraries materials which are requested.

- C. The library shall be open sufficient hours to meet the needs of the community.

- D. The Trustees will provide a library representative at the Epsom Public Library Historical Center as requested.

- E. Library materials may be loaned to registered patrons for the designated length of time as approved by the Board of Trustees. Reference, unique or fragile items may be restricted to use within the library building.
